Bio

Henry Yin is a Los Angeles-based Cinematographer, member of Local 600 International Cinematographer's Guild, who has over 10 years' experience filming feature films, documentaries, commercials, and music videos, across US and China. He's highly skilled in both studio and location shoots, with both large and small crews. Henry's work covers a wide range of styles and disciplines from compelling, moody, and dramatic scenes to bright, aspirational lifestyle pieces.
